WISH TO

PRESENT A
BOOK OF

MEMORIES

WE WISH TO DEDICATE THE
1958 MEMORIES TO THE MEMORY
OF JANET COLE, A DECEASED
MEMBER OF OUR CLASS.

J. McLEAN BENSON
Principal

Today is yours—to do with almost what you will. It is the foundation of all your tomorrows, and upon it will depend what you are in each of those tomorrows.

Today, I hope you have learned several things in the art of living. I hope you have learned your class lessons—have learned to be a little more friendly and helpful to others—have learned to be a little more enthusiastic and sincere—and that happiness grows the more you divide it with others. If you have learned these even a little then the year 1957-58 will have been a success.

May the best of everything
be yours,

J. McLean Benson

LIFE *is just one Graduation after another . . . !*

Whether you're graduating from high school or college, getting married, or moving into a new home, it's an experience to remember and marks a milestone in your life.

We at Indiana & Michigan Electric Company are closely associated with you as you pass these milestones, for low cost, dependable electricity is an important part of everyday living.

You live better electrically today! But what the future holds for you in even better living through electricity is hard to imagine.

As you continue your educational program or enter into the business world, you can always be sure there will be plenty of electric power available so you can live better . . . electrically!

live better...  *electrically*
